Any granted intellectual property rights, trade secrets, or other information in relation to common high priority items as listed in Annex XL of Regulation (EU) 833/2014 may not be used (e.g. by way of sublicenses) if the outcome or product of the usage is intended for sale, supply, transfer, or export, directly or indirectly, to any natural or legal person in the Russian Federation or for use in the Russian Federation.

Any use of the mark Continental on our products is made under license.

Goods marked with an AL number are subject to European or German export authorization when being exported out of the EU. Goods marked with an ECCN number are subject to U.S. re-export authorization. Even if AL=N or ECCN=N, authorization may be required due to the final end-use and destination for which the goods are to be used.
